

## CityAlight - Yet Not I But Through Christ In Me

```
For Jesus bled and suffered for my pardon
                                  tom:
Intro: C F C F
                                                                            And He was raised to overthrow the grave
[Primeira Parte]
                                                                            [Refrão 3]
                                                                            To this I hold, my sin has been defeated C F C G
Jesus now and ever is my plea
What gift of grace is Jesus my redeemer {\color{red}C}
There is no more for heaven now to give
                                                                                  C Dm
                                                                            Oh the chains are released, I can sing, I am free
He is my joy, my righteousness, and freedom
                                                                            {f C} {f G} {f C} {f C} Yet not I, but through Christ in me
My steadfast love, my deep and boundless peace
[Refrão 1]
                                                                            [Interlúdio] C F C F
                                                                            [Quarta Parte]
To this I hold, my hope is only Jesus
For my life is wholly bound to His
                                                                            With every breath I long to follow Jesus
{\color{red}\mathsf{C}} {\color{red}\mathsf{Dm}} {\color{red}\mathsf{C}} {\color{red}\mathsf{F}} Oh how strange and divine, I can sing all is mine
                                                                            For He has said that He will bring me home
Yet not I, but through Christ in me
                                                                            And day by day I know He will renew me
                                                                            C G C C Until I stand with joy before the throne
[Interlúdio] C F C F
[Segunda Parte]
                                                                            [Refrão 4]
The night is dark but I am not forsaken
                                                                            To this I hold, my hope is only Jesus
For by my side, the Saviour He will stay
                                                                            All the glory evermore to Him
                                                                            When the race is complete, still my lips shall repeat G
I labour on in weakness and rejoicing
                                                                            C G ( Yet not I, but through Christ in me
For in my need, His power is displayed
                                                                            To this I hold, my hope is only Jesus
[Refrão 2]
                                                                            C F C G
All the glory evermore to Him
To this I hold, my Shepherd will defend me C \mathsf{F} \mathsf{C}
                                                                            When the race is complete, still my lips shall repeat

C

G

C

Yet not I, but through Christ in me
Through the deepest valley He will lead
Oh the night has been won, and I shall overcome C C C
Yet not I, but through Christ in me
                                                                            [Final]
[Interlúdio] C F C F
                                                                            When the race is complete, still my lips shall repeat
                                                                            Yet not I, but through Christ in me
[Terceira Parte]
                                                                            C G Am
Yet not I, but through Christ in me
No fate I dread, I know I am forgiven
                                                                            \begin{tabular}{c|c} $C$ & $G$ & $C$ \\ Yet not I, but through Christ in me \\ \end{tabular}
The future sure, the price it has been paid
