Since I sailed away to sea

She comes to me at night when I'm dreaming

Long hair blowin' in the breeze

And what feels like the warm embrace of her arms

Is really just the rolling of the seas

D Gb  
So carry me away boys, carry me away

Db Gb  
Carry me to my home

D  
'Cause I long for the girl with

Gb  
The sun in her eyes

Db Gb  
Evangeline, I'm coming home

( Db D Db D )  
( Db D Db )

So get ready, get set

And here we go

D Db B A Gb  
We'll sail away to pubnico

Where the women are warm when the cold

Wind blows

D Db B A Gb  
We'll sail away to pubnico

Eyes cast out to the sea

And the tears that she cries

Fall like rain from the skies

I can taste them at the bottom of the sea

Oh evangeline, please don't wait for me

I'm never coming home, evangeline
