

# Claire Guerreso - Ashes

Tom: G

My mind is spun  
I've had enough  
Feels like I'm burning down the flames rise up  
And I can't tell what's coming next  
Feels life is like a game of roulette

The one that I need  
Help me see beyond the surface  
My purpose

You were my north-star  
You were my always  
You were my compass  
Now I've turn sideways  
Maybe I turn to ashes, ashes

When it all comes down  
When it all comes down

A cold wind sets upon my back  
The sky is getting full  
And turning black  
I lost my way

When I lost you

I need a moment more  
This can't be true

The one that I need  
Help my see beyond the surface  
My purpose

You were my north-star  
You were my always  
You were my compass  
Now I've turn sideways

Who did you turn too  
What can you say

Ashes, ashes  
It all comes down  
It all comes down  
It all comes down

Ashes, ashes  
Ashes, ashes  
When it all comes down  
When it all comes down

Who do you turn too  
When it all comes down  
It all comes down  
It all comes down  
Ashes, ashes  
Ashes, ashes

When it all comes down  
It all comes down  
Who do you turn too

When it all comes down  
When it all comes down

Ashes, ashes  
Ashes, ashes  
Who do you turn too

When it all comes down
