

Claire Rosinkranz - Frankenstein

tom: D

I'm so sick G A
 Gbm G7M
 Of all these pretty boys tryna act like the shit
 G A
 And I just wish
 Gbm G7M
 They wouldn't fall in love, then leave me so quick

G A
 I been searching, don't think it's out there
 Gbm G7M
 Talks for hours, walks in with flowers
 G A
 Dirty converse, 6'2 and brown hair
 Gbm G7M
 Every little thing that I want

G A
 Guess I gotta build my Frankenstein
 Gbm G7M
 Draw the picture, color all the lines
 G A
 When it's right I'll take a test drive
 Gbm G7M
 Every little thing that I want

G A
 When I'm mad
 Gbm G7M
 He'll kiss me till I'm numb and not treat me so bad
 G A
 And he makes me laugh
 Gbm G7M
 He's never on my nerves, gets along with my dad (my dad)

G A
 I been searching, don't think it's out there
 Gbm G7M
 Oh so loyal, makes me feel spoiled
 G A

He's my daydream, never a nightmare
 Gbm G7M
 Every little thing that I want

G A
 Guess I gotta build my Frankenstein
 Gbm G7M
 Draw the picture, color all the lines
 G A
 When it's right I'll take a test drive
 Gbm G7M
 Every little thing that I want

G A
 Guess I gotta build my Frankenstein
 Gbm G7M
 Draw the picture, color all the lines
 G A
 When it's right I'll take a test drive
 Gbm G7M
 Every little thing that I want

G A Gbm G7M
 Every little thing that I want
