

# Claire Rosinkranz - Frankenstein

tom:  
 D  
 I'm so sick  
 Gbm A  
 Of all these pretty boys tryna act like the shit  
 G A  
 And I just wish  
 Gbm G  
 They wouldn't fall in love, then leave me so quick  
 G A  
 I been searching, don't think it's out there  
 Gbm G  
 Talks for hours, walks in with flowers  
 G A  
 Dirty converse, 6'2 and brown hair  
 Gbm G  
 Every little thing that I want  
 G A  
 Guess I gotta build my Frankenstein  
 Gbm G  
 Draw the picture, color all the lines  
 G A  
 When it's right I'll take a test drive  
 Gbm G  
 Every little thing that I want  
 G A  
 When I'm mad  
 Gbm G  
 He'll kiss me till I'm numb and not treat me so bad  
 G A  
 And he makes me laugh  
 Gbm G  
 He's never on my nerves, gets along with my dad (my dad)  
 G A  
 I been searching, don't think it's out there  
 Gbm G  
 Oh so loyal, makes me feel spoiled  
 G A

He's my daydream, never a nightmare  
 Gbm G  
 Every little thing that I want  
 G A  
 Guess I gotta build my Frankenstein  
 Gbm G  
 Draw the picture, color all the lines  
 G A  
 When it's right I'll take a test drive
