

# Clairo Cottrill - It Is Over

Tom: D

Spend all my time wondering why  
 I hurt  
 Spend all my months trying to decipher  
 Your words  
 But you have to come to terms  
 With it  
 And I think I'll be alright if you just give me  
 Your word

( D A G D A )  
 Another day a cold break  
 I hear you laughing at me  
 The harmony of our souls is something that  
 Is left with me  
 But you have to come to terms  
 With it  
 And I think I'll be alright if I  
 Hear you say you're sorry
