

Clairo - Amoeba

tom:
 Capostraste na 1ª casa
 Intro: F7M E7 Am7 D7
 F7M E7 Am7 D7

F7M E7
 Between the gaps I was swimming laps
 Am7 D7
 Got close to some epiphany
 F7M E7
 I'll convince a friend to join deep ends
 Am7 D7
 Have your toes touch the lack of cement

F7M E7
 Gather to one corner of the woods
 Am7 D7
 Echo chambers inside a neighborhood
 F7M E7
 And centerfold, humility shown
 Am7 D7
 You're not as good as what your mama's sewn

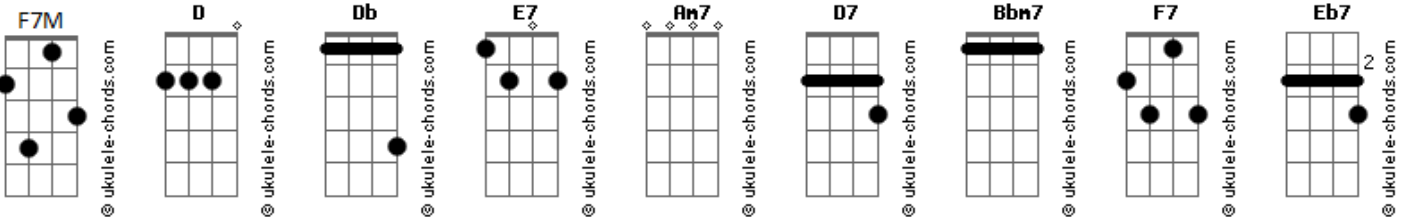

F7M
 Aren't you glad that you reside
 E7
 In a hell and in disguise?
 Am7
 Nobody yet everything
 D7
 A pool to shed your memory

F7M
 Could you say you even tried?
 E7
 You haven't called your family twice
 Am7
 I can hope tonight goes differently
 D7
 But I show up to the party just to leave

(F7M E7 Am7 D7)
 (F7M E7 Am7 D7)

F7M E7
 Between the gaps, keep it under wraps
 Am7 D7
 How I got to some epiphany
 F7M E7
 I'll convince myself when it turns to twelve
 Am7 D7
 The photos keep the sentiment

F#7M
 Pulling back I tried to find
 F7
 The point of wasting precious time
 Bbm7
 I sip and toast to normalcy
 Eb7
 A fool's way into jealousy

F#7M
 I mock and imitate goodbyes
 F7
 When I know that I can't deny
 Bbm7
 That I'll be here forever while
 Eb7
 I show up to the party just to leave
