 Maybe I should think about  
**G Em7**  
 Your hands on my sides, my shirt lost to wine  
**Am7**  
 When I turned around and said  
**G Em7 C**  
 "I can't believe you like me"  
**Am7**  
 When I turn around and said

 Say I'm mature for my age  
**Em7 Am7**  
 There's a bed to be made, why don't you lie there?  
**C**  
 Swear I'll take this one to my grave  
**A7**  
 And nothing's gonna change  
**G**  
 A man is the same as a child  
**Em7**  
 Writing in stories, of when they become king

 And learn to take everything  
**C**  
 When I turned around and said  
**G Am7**  
 "I can't believe you like me better than the rest"
