

# Clairo - Zinnias

tom:  
 G  
 See me standing on the corner of comstock and  
 Waverly in a daze  
 Where I saw my brother speak for the first time since  
 He graduated in the spring  
 Got a cold piece of information to bring to you  
 Said, "sorry, but I can't stay here  
 While we wait for june"  
 I miss the southern cosmos and the  
 Zinnias, oh, the zinnias  
 It comes to me in a dream  
 In the dead heat and the suffocating wet grip  
 That's got a hold on my mama, it's marietta's kiss  
 Quietly, I'm tempted  
 Sure sounds nice to settle down for a whil?  
 Let the real ?state show itself to me

 I could wake up with a baby in a sling
