

# Clarice Falcão - Fred Astaire

tom: C

Could you hear it? C  
 All the birds singing while we talked there Am  
 And my heart beating, G  
 oh, Fred Astaire F  
 In an eternal musical C  
 Or was I crazy? Am  
 Did I imagine we were perfect? G  
 Did I started alone F  
 a first act C  
 Of a romantic two men show? Am  
 Can you save me? G  
 Do I deserve perhaps a maybe G

To the will you ever call me baby? F  
 Eternal question in my mind C  
 I sure hope so Am  
 Don't feel compelled to anything, though G  
 Just because I think watching you go F  
 Is the saddest thing that I can find C  
 I'll survive it Am  
 Being an extra in your story G  
 I'm fine with it, so don't be sorry F  
 I can be lady 22 C  
 If that's it, then Am  
 Just keep my part completely silent G  
 Give me a tiny little line and F C  
 I will change it to I love you
