Tom: D

Afinação: D G C F A D

D Gbm
I'm lying alone on the floor
With a feather Bm G
I found in my hand
D Gbm
I wanna believe it's from you
Bm G
But I just don't think that I can
Em Gbm
If there's a God then you'd still be here
Bm G
And a heaven then why Am I in hell
D Gbm
I'm lost and I'm looking for signs
A A
And maybe I'm just fooling myself
G A Bm
But I swear down my spine I'm getting shivers
Bm D Gbm
Like we kissed for the very first time
Gbm G D
Tho the tears are streaming down like rivers
Bm D A
I know I asked you to give me a sign
G A Bm
I'm not scared tho my body starts shaking
Bm D Gbm
I can almost feel you drying my eyes
Gbm G D
And even tho my heart is breaking
Bm D A
I know you love me from the other side
D Gbm Bm G
Now I see the signs I see the signs
D Gbm

I Keep finding myself on the street
Bm G
Staring at you from behind
