

Claudinéia R. B. Oliveira - A Via do Amor

tom: E

Ó Santa Teresinha branca e singela flor
 Que o mundo inteiro perfumais com vosso suave amor

[Refrão]

Faz chover, faz chover, chuva de rosas aí do céu
 Doce pequena me ensina o caminho da pequena via
 A via do amor!

Chamai-nos e nós correremos convosco
 Ao encontro de Jesus, pelo caminho
 Da cruz, do abandono e do amor

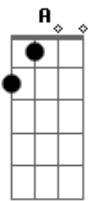

[Refrão]

Faz chover, faz chover, chuva de rosas aí do céu
 Doce pequena me ensina o caminho da pequena via
 A via do amor!
