

Claudio Capucho - É Tempo de Paz

Tom: D

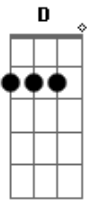

Intro: A G A G
A G A G

É tempo de ver nascer o luar
De dentro do sol que tem o seu olhar
E tempo de crer que estamos aqui
Para amar e vencer
Só pra ter um lugar

É tempo de parar para observar
O que há de melhor em cada lugar
É tempo de ser somente o que somos

E deixar de sofrer
Ser feliz pra valer
É tempo de paz e tempo de luz
É tempo de luta e tempo de amor
Viver um dia por dia
Nao deixar de sonhar
Ser feliz e cantar
É tempo de paz
É tempo de paz
