

Cláudio Claro - Graça de Deus

tom: C

Mais brilhante que o sol
 Mais profundo que o mar
 Bem maior que todo o infinito
 Sua glória enche todo o universo
 Faz nascer cada manhã
 E a esperança despertar

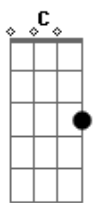

Mas, contudo
 Ele se fez homem como um outro igual
 O eterno Rei dos reis

Verme se tornou
 E cravado numa cruz Ele agonizou
 Por meus pecados Seu sangue inocente derramou

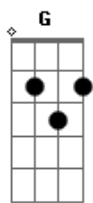

Graça de Deus
 Graças a Deus
 Graça de Deus
 Quem em Jesus me amou
 Morrendo em meu lugar
