

# Claudio Lyra - Estrela do Mar

tom:

Intro: G D Em7 D  
C G Am7 D7

Estrela do mar de luz proibida

Imagem distorcida, ilusão

Do amor que apareceu então sumiu

Raio de sol num dia cinzento

Tão breve quanto a luz da inspiração

Brilhou por um momento então fugiu

E eu? E eu?

Mas quando eu encontrar o teu castelo

E vasculhar as tuas coisas e tentar te entender

E eu? E eu?

E eu? E eu?

Então vou invadir seus sonhos

E gritar meu nome ao vento

E nunca mais você vai me esquecer

Asas pra quê?

Se o tempo não passa

Se nada mais tem graça sem você

Prefiro andar a pé e me perder

E eu? E eu?

Mas quando eu encontrar o teu castelo

E vasculhar as tuas coisas e tentar te entender

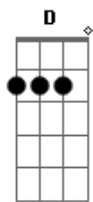

E eu? E eu?

Então vou invadir seus sonhos

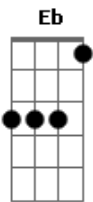

E gritar meu nome ao vento

E nunca mais você vai me esquecer
