

# Cláudio Oliveira - Evil Man

Tom: E

Evil man, evil man  
 You ain't gonna take me to nowhere  
 My place is here, my time is now  
 You better find another one to push down  
 My world is free, my life is mine  
 Why can't you see what's on my mind

Evil man, evil man  
 You ain't gonna take me to nowhere  
 My place is here, my time is now  
 You better find another one to breakdown

You can't count on me to your dirty plains  
 Get out of my sight, get out of my brain

Evil man, evil man

You ain't gonna take me to nowhere  
 My place is here, my time is now  
 You better find another one to breakdown

You are so beautiful  
 You are so cool  
 You look so funny  
 You make me fool

Evil man, evil man  
 You ain't gonna take me to nowhere  
 My place is here, my time is now  
 You better find another one to breakdown

Evil man, evil man  
 You ain't gonna take me to nowhere  
 My place is here, my time is now  
 You better find another one to push down
