

## Cláudio Oliveira - Evil Man

```
Evil man, evil man
G A E
You ain't gonna take me to nowhere
E
My place is here, my time is now
G A E
You better find another one to push down

A E7
My world is free, my life is mine
A E7
Why can't you see what's o n my mind

E
Evil man, evil man
G A E
You ain't gonna take me to nowhere
E
My place is here, my time is now
G A E
You better find another one to breakdown

A E7
You better find another one to breakdown

A E7

You can't count on me to your dirty plains
A E7
Get out of my sight, get out of my brain

E
Evil man, evil man
```
