

Cláudio Oliveira - Hangin' On You

Tom: E
Intro:

You got me hangin' on you
I've got my knees on the ground
Everybody knows I love you
But you just let me down

Is that the way you love me
Is that the way you treat me

Hangin' on you
Hangin' on you
Hangin' on you
Hangin' on you

All the promises you made me
I'm gonna throw away
It doesn't matter how I need ya
Go ahead on your own way

Is that the way you love me
Is that the way you treat me

Hangin' on you
Hangin' on you
Hangin' on you

Hangin' on you

I'm sure you're gonna regret
For treatin' me so bad
Oh my Lord, have mercy
This girl just makes me mad

Is that the way you love me
Is that the way you treat me

Hangin' on you
Hangin' on you
Hangin' on you
Hangin' on you

All the promises you made me
I'm gonna throw away
It doesn't matter how I need ya
Go ahead on your own way

Is that the way you love me
Is that the way you treat me

Hangin' on you
Hangin' on you
Hangin' on you
Hangin' on you
