Quando eu der um sorriso, tu me dá um beijo
Vai virar tua cabeça, vai perder o medo

Don't you want summer love, yeah

Don't you wanna be loved by me?

Let's your heart feel the groove, yeah!

Take a chance to set you free

Vai beijando a minha boca, tirando a roupa

Como se fosse da primeira vez

Vai curando o sentimento, num movimento

Num carinho que a gente fez.

Put your hands around my waist

You wanna taste it

Like this was the very first kiss

If you want magic, it's gonna happen

Cause i'm the one that can love you like this

I'll be good to you, promisse never break your heart in two!

(baby is it really true? give me, give me out a reason so i can trust you).

I'll be good to you, promisse never break your heart in two!

(baby is it really true? give me, give me out a reason so i can trust you).

When i get a little close you can make a move babe
Everything new, everything's gonna come true, babe

Tá com medo de amar, é?

Tá com medo do amor, e aí?

Deixa a página virar, é

Deixa o coração em flor se abrir

Put your hands around my waist

You wanna taste it

Like this was the very first kiss
