

Claus e Vanessa - Summer Love

```
If you want magic, it's gonna happen
Intro: Cm7 B F (2x)
                                                                                                                                                                                                    Gm7
                                                                                                                                                                     Cause i'm the one that can love you like this
Cm7
Quando eu der um sorriso, tu me dá um beijo
                                                                                                                                                                                                                         Cm7
Vai virar tua cabeça, vai perder o medo
                                                                                                                                                                     Vai beijando a minha boca, tirando a roupa
                                                                                                                                                                                    Gm7
                                                                                                                                                                     Como se fosse da primeira vez
Don't you want summer love, yeah
                                                                                                                                                                                                                                                          Fh
                                                                                                                                                                                                                   Cm7
