

Clean Bandit & Jess Glynne - Real Love

Tom: C

Oh, you've got the feeling that I wanna feel
 Oh, you've got the feeling that I know is real, real, real

Pré coro:

It's in the way you look, it's in the way you love
 And I can see that this is real
 It's in the way you talk, it's in the way you touch
 And I can see

Coro:

This is real, real, real, real love
 This is real, real, real, real love

You give me that feeling, you give me that feeling
 You give me that, you give me real love
 You give me that feeling, you give me that feeling
 You give me that, you give me real love

Verso:

Oh, before you I was searching for a rarity
 Oh, you showed me things I'd never thought that I would see

(Pré coro)

It's in the way you look, it's in the way you love
 And I can see that this is real
 It's in the way you talk, it's in the way you touch
 And I can see

Coro:

This is real, real, real, real love
 This is real, real, real, real love

You give me that feeling, you give me that feeling

You give me that, you give me real love
 You give me that feeling, you give me that feeling
 You give me that, you give me real love

Ponte:

Time won't waste, and we just learn
 To take it slow and wait our turn
 Held my breath, cause I believed
 That you'll find me

You give me that love (Real love)
 You give me that love (Real love)
 You give me that love (Real love)
 You give me that love

Coro:

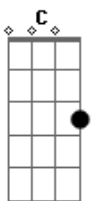

This is real, real, real, real love
 This is real, real, real, real love

You give me that feeling, you give me that feeling
 You give me that, you give me real love
 You give me that feeling, you give me that feeling
 You give me that, you give me real love

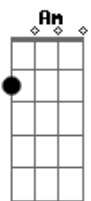

You give me that love (Real love)
 You give me that love (Real love)
 You give me that love (Real love)
 You give me that love

You give me that love (Real love)
 You give me that love (Real love)
 You give me that love (Real love)
 You give me that love
