We're a thousand miles from comfort

we have traveled land and sea

But as long as you are with me

there's no place I rather be

I would wait forever,

Exulted in the scene

As long as I am with you

My heart continues to beat

With every step we take

Kyoto to The Bay

Strolling so casually

We're different and the same

Gave you another name

Switch up the batteries

If you gave me a chance i would take it

It's a shot in the dark but I'll make it

Know with all of your heart you can't shame me

When I am with you there's no place I rather be

N-n-n-no, no, no, no place I rather be

N-n-n-no, no, no, no place I rather be

N-n-n-no, no, no, no place I rather be

We staked out on a mission

To find our inner peace

Make it everlasting so nothing's incomplete

It's easy being with you, sacred simplicity  
As long as we're together there's no place I rather be

With every step we take

Kyoto to The Bay

Strolling so casually

We're different and the same

Gave you another name

Switch up the batteries

If you gave me a chance i would take it

It's a shot in the dark but I'll make it

Know with all of your heart you can't shame me

When I am with you there's no place I rather be

N-n-n-no, no, no, no place I rather be

N-n-n-no, no, no, no place I rather be

N-n-n-no, no, no, no place I rather be

When I am with you there's no place I rather be

Be be be be

If you gave me a chance i would take it

It's a shot in the dark but I'll make it

Know with all of your heart you can't shame me

When I am with you there's no place I rather be

N-n-n-no, no, no, no place I rather be

N-n-n-no, no, no, no place I rather be

N-n-n-no, no, no, no place I rather be

When I am with you there's no place I rather be
