

# Clean Bandit - Extraordinary (feat. Sharna Bass)

Tom: **G**

Intro: **Ab Bb Cm**

**Cm**  
You can see there's something in the way  
**Cm**  
I've tried to show you, my door is open  
**Cm**  
I don't know how much more I can take  
**Cm**  
Since you've chosen, to leave me frozen

**Cm**  
Am I the only one, who see's what you've become?  
**Cm**  
Will you drift away?  
**Cm**  
We're running out of time, two wrongs can make it right  
**Cm**  
Could I make you stay?

**Ab**  
People making choices they can't fake  
**Ab**  
Sacrifice it all and maybe say

**Cm**  
Something extraordinary  
**Cm**  
Something real  
**Cm**  
To fill my days and nights with something  
**Cm**  
That I can feel

**Ab**  
I'm not gonna compromise  
**Cm**  
Surely you can simplify?  
**Ab**  
Say you feel the same

**Cm**  
You've wondered down a path I can't explain  
**Cm**  
Have you seen her, the grass is greener  
**Cm**  
To let me pass you by would be a shame  
**Cm**  
If she's your only then why you lonely?

**Cm**  
Cos I'm the only one, who know the things you've done  
**Cm**  
I'm so good for you  
**Cm**  
We're running out of time, two wrongs can make it right  
**Cm**  
Could I make you do
