 She works the night, by the water
 She's gonna stress, so far away
 From her father's daughter
 She just wants a life for her baby
 All on her own, no one will come
 She's got to save him (daily struggle)

Pré-refrão
 She tells him "ooh, love, no one's ever gonna hurt you, love
 I'm gonna give you all of my love
 Nobody matters like you"
 She tells him "your life ain't gonna be nothing like my life
 You're gonna grow and have a good life
 I'm gonna do what I've got to do"
