Verso 1
She works the night, by the water
She's gonna stress, so far away
From her father's daughter
She just wants a life for her baby
All on her own, no one will come
She's got to save him (daily struggle)

Pré-refrão
She tells him "ooh, love, no one's ever gonna hurt you, love
I'm gonna give you all of my love
Nobody matters like you"
She tells him "your life ain't gonna be nothing like my life
You're gonna grow and have a good life
I'm gonna do what I've got to do"

Single mama you doing out there
Facing the hard life, without no fear
Just so you know that you really care
Cause any obstacle come you're well prepared
And no mama, you never shed tear
Cause you have to set things year and to year
And you give the youth love beyond compare

Trying to keep him warm
