

Clementine's Toxic Lovers - Going Down

tom:
G (forma dos acordes no tom de Em)

No one will fulfill your will
No one but yourself
Only you can break the wheel
And nobody else

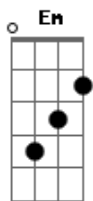

Hear my voice inside your ears
Let these feelings change your tears
We are making love across the fears
We could make it along the years

But I am waiting for so long, so long
I'm just trying to be strong

I am feeling like I am going down

So many ways, so many thoughts
I hope someday, I hope it stops
And then we find someone who says
We are just living another day

Another day
Another day

But I am waiting for so long, so long
I'm just trying to be strong

I am feeling like I am going down
