                    D
Intro:  D   Bm   A   G
```

[Primeira Parte]

```
          D
When you?re moving at a pace and leave before it started
   Bm
It's hard to take a break

When you don?t know what?s important
             A                         G
Am I too far gone to stay will I ever wanna change
   D
If I went another way would it be different
        Bm
If I had the other say would they have listened
              A                    G
It's all I've ever known but now I?m wanting more
```

(D)

[Pré-Refrão]

```
                 Bm
Falling in and out of place
D                       G
I don?t know where I wanna be
                    Bm              A
Afraid of what its done to me, woah oh
                         G
But now I?m feeling lost and out of reach
```
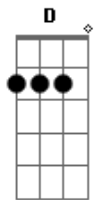

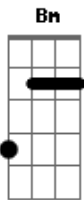

[Refrão]

```
      D
And I can't find my place, I?ve never had a
Bm
Home to rest my ache, I'm tired of being
A                       G
On my own and broken, scared that it won't ever end
    D
I tried and tried again but all I found is
Bm
Emptiness instead I?m giving up on
A                        G
All I've ever wanted, I guess that it?s just hopeless
```
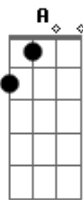

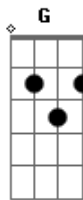

(D)

[Segunda Parte]
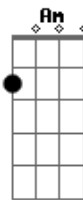

```
              D
Is it alright if I don?t find the ending of my story
                  Bm
The second guessin' in your time, start to see it fully
               A                           G
I'm running out of space to make up my mistakes
D
I'm so done waiting for what I want
Bm
Hope I find something for my heart
                         A                  G
It's all I've ever known but now I?m wanting more
```

[Refrão]
