

# Clinton Kane - I Don't Want To Watch The World End With Someone Else

tom:

**D**  
Empty streets now, where we used to love  
**D**  
Our hearts out but now I'm dancin' all alone  
**Bm** **A**  
Scared to go out on my own  
**D**  
This calmin' feeling faded into anxious breathin'  
**G**  
In the places we were happy once  
**Bm** **A**  
Stuck inside but never home

**Bm**  
And if I lose it all, in the blink of an eye  
**A**  
Like a fire burnin' out in the night  
**G**  
And my hearts stops beatin'  
But something's screamin

**D** **A**  
And I, wish we didn't say goodbye  
**A**  
Cause we're just standin' still  
**G** **Bm** **A**  
And I don't really know, what tomorrow holds  
**D** **A**  
But I've, I've finally realized  
**G**  
If this is our last goodbye until we're gone  
**Bm** **A** **G**  
Who cares about the wrongs we caused ourselves  
Cause I don't want to watch the world end with someone else

**D**  
Fallin' deeper, deeper into hopeless thinkin'  
**G**  
Remember when you'd pull me out  
**Bm** **A**  
Wishin' you would come around again  
**D**

Cause when the room goes quiet  
I'm hit with my regret like a riot  
**G**  
Reminds me what I really want  
**Bm** **A**  
But have I waited for too long

**Bm**  
Cause if I lose it all, in the blink of an eye  
**A**  
Like a fire burnin' out in the night  
**G**  
And my hearts stops beatin'  
But something's screamin

**D** **A**  
And I, I wish we didn't say goodbye  
Cause we're just standin' still  
**G** **Bm** **A**  
And I don't really know, what tomorrow holds  
**D** **A**  
But I've, I've finally realized  
**G**  
If this is our last goodbye until we're gone  
**Bm** **A** **G**  
Who cares about the wrongs we caused ourselves

**D**  
Cause I don't want to watch the world end with someone else  
**A** **G**  
Oh-oh, oh-oh, oh  
**Bm**  
World end with someone else  
**A** **G**  
Oh-oh, oh-oh, oh  
**D**  
World end with someone else  
**A** **G**  
Oh-oh, oh-oh, oh  
**Bm**  
World end with someone else  
**A** **G**  
Oh-oh, oh-oh, oh  
**D**  
World end with someone else
