

Cloves - Don'r Forget About Me

```
Tom: G
                                                         [Pre-Chorus]
Intro: Em D G C 2x
                                                             D Em C
                                                         And hey, he-ey
[Verse 1]
                                                         N.C.
                                                         Without you there's holes in my soles
     Em D
                G
                      C
                                                          D Em C
If I fall, can you pull me up?
                                                         Hey, he-ey
                                                         N.C.
    Em D G C
Is it true, your watching out
                                                         Let the water in
      Em D G
And when I'm tired, do you lay down with me?
                                                         [Chorus]
      Em D G C
In my head so I can sleep without you?
                                                          Fm D C
                                                         Where have you've gone?
[Pre-Chorus]
                                                          Em D C
                                                         Ho-oo-oow?
