tom:

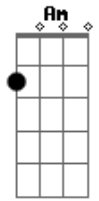

Intro: A Em A Em

Eu pensei  
 Vou te abrir  
 Vou passar o dedo  
 Mas antes na língua  
 Vou te jogar  
 Te sacudir  
 Vai me encontrar em segredo  
 Você vai gostar

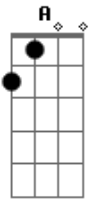

Eu faço sem medo  
 Já fiz muitas vezes  
 É uma coleção  
 Eu odeio repetir  
 Eu vou te devorar  
 Já tô cansando de imaginar  
 Eu posso até demorar pra voltar  
 Mas eu sempre termino o que eu começo
