

CNBB - Ave Maria, Cheia de Graça

tom:

Bm

Ave Maria, cheia de graça, mãe do Senhor

Bendita és tu entre as mulheres, diz Isabel

Todas as gentes celebram hoje o teu louvor

Tu és na terra a virgem bela que encanta o céu

Louvai, é bom cantar

Merece o nosso Deus

Jerusalém renova

E junta os filhos seus

Dos corações feridos

Quem cuida e Deus dos céus!

[Refrão]

São quantas as estrelas

Quem é que vai saber

Quem sabe o nome delas

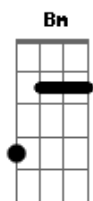

Só ele tem poder

Levanta os humilhados

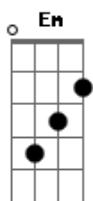

Os maus vai abater

[Refrão]

Cantai a nosso Deus

Ao som de violões

Com nuvens cobre o céu

E desfaz os torrões

E faz brotar nos campos

As ervas e os feijões
