

# Cobi - Don't You Cry For Me

tom:

Intro: Em C G

[Primeira Parte]

G Em C  
Oh, got my hands tied around my back  
G Em C  
And time put a rope around my head  
G Em C  
And hung from the rafters of my fear  
G Em  
Dark in the eyes, tryna face the world  
C G  
I can?t bare to, my knees hit the ground and  
G  
My hands start shaking  
Em C  
Old feelings from new faces  
G  
A rope on the floor and a poor man hanging

[Refrão]

Em C G  
Please help me chop this tree down  
Em C G  
Hold me from underneath  
Em C G  
Words never once cut me down  
Em C G  
Oh, don?t you cry for me

[Segunda Parte] Em C

G Em C  
I?ve seen an ocean runaway  
G Em C  
I?m torn from the truth that holds my soul  
G Em C  
I?m down in the grave where i belong  
G Em C  
Oh what a ride, I dare to fight my devil  
G  
Wings to the sky on the run from trouble  
Em C  
With my own hands, no shovel  
G  
I dug in the ground, now hanging above saying

[Refrão]

Em C G  
Please help me chop this tree down  
Em C G  
Hold me from underneath  
Em C G  
Words never once cut me down  
Em C G  
Oh, don?t you cry for me

[Ponte]

Em C  
Down by the grave that the law man laid  
G  
When the gravel got paved, finally I?m saved  
Em C  
Down by the grave that the law man laid  
G  
When the grovel got paved, finally I?m saved  
Em C  
Down by the grave that the law man laid  
(when the sun went down)  
G  
Hen the grovel got paved, finally i'm saved  
Em C  
Down by the grave that the law man laid  
(It set the sky on fire)  
G  
When the gravel got paved, finally i'm saved  
Em C  
Down by the grave that the law man laid  
(I saw an angel fly)  
G  
When the gravel got paved, finally i'm saved  
Em C  
Down by the grave that the law man laid  
(I never felt so high)  
G  
When the gravel got paved, finally i'm saved

[Refrão]

Em C G  
Please help me chop this tree down  
Em C G  
Hold me from underneath  
Em C G  
Words never once cut me down  
Em C G  
Oh, don?t you cry for me  
Em C G  
Oh, don?t you cry for me  
Em C G  
Oh, don?t you cry for me
