

CocoRosie - By Your Side

Tom: G

Essa parte se repete no fundo por toda a música:

D **D7** **Bm**
 I'll always be by your side
D **D7** **Bm**
 Even when you're down and out
 E em cima vem a letra:

I just wanted to be your housewife
 All i wanted was to be your housewife
 I'll iron your clothes
 I'll shine your shoes
 I'll make your bed
 And cook your food
 I'll never cheat
 I'll be the best girl you'd ever meet

And for a diamond ring
 I'll do these kinds of things
 I'll scrub your floor
 Never be a bore
 I'd tuck you in
 I do not snore
 I'd wear your black eyes
 Bake you apple pies
 I won't ask whys
 And i try not to cry
 And its nearly midnight
 And all i want with my life
 Is to be a housewife
 Is to be a housewife
 'Cause it's nearly midnight
 And all i want with my life
 Is to die a housewife
 Is to die a housewife
