

# CocoRosie - Good Friday

Tom: C

I once fell in love with you  
 Just because the sky turned from gray into blue

(C, Em, Dm7, C, Em, A2, Am )  
 It was a good friday  
 The streets were open and empty  
 No more passion play  
 On st. Nicholas avenue  
 I believe in st. Nicholas  
 Its a different type of santa claus
