

# CocoRosie - Honey Or Tar

Tom: **G**

**C**  
I undressed you with my eyes **Em** I have  
**G**  
Maybe even raped you  
**G** **Am**  
In a dark and eerie corner of my mind  
**Am**  
I tucked you there  
**Am**  
And touched you in a dream last night  
**D**  
Pushed you aside when you entered  
**D** **C**  
My thoughts at the wrong time  
**C** **Em**  
I have sat up upon your lap and  
**G**  
Saddled my thighs around your hips like ropes  
**Am**  
I rode you on a chair and in the shower

**D**  
And all the while I clung heavy to your back  
**C** **Em** **G**  
My desire deeply harnessed in your spine  
**Am**  
While I squeezed you like a tree trunk  
**D**  
You may have been one **C**  
Sexless and comfort in your mind  
**Em** **G**  
Even barer than a child's  
**Am** **D**  
I'm riding recklessly through a thick and humid  
**D** **C** **Em** **G**  
Jungle growing anxious with the deep and primal  
**G**  
Yearning that stirs  
**Am**  
Deeply pulsing up toward the surface  
**D** **C**  
Like sap rising or honey or tar.
