Walk in silence

Don't walk away - in silence

Danger - always danger

Endless talking of life rebuilding

Walk in silence

Don't walk away - in silence

Your illusion - my confusion

And in the mask of self-hate

Confronts itself and then dies

D D7M G
Don't walk away - in silence

People like you, have it easy

Face like the sun - walking on air

Haunted by your face, every street, every corner

Abandoned too soon

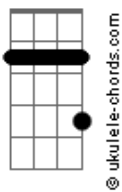

D D7M G
Don't walk away - in silence

Don't walk away - in silence
