

# Codeko - All Night

tom:  
 E  
 Late nights, loud places  
 You wanna leave but I don't know how to say this  
 I don't give a fuck about no others  
 I don't really give a fuck about you either  
 I don't hear you say I'm not a winner  
 Got no friends 'til I buy them all liquor  
 I don't give a fuck about no others  
 I don't really give a fuck about you either  
 I just wanna go all night  
 Sick of feeling so out of place  
 I'm always stuck on the sidelines  
 Dbm E A

Feeling like I could be replaced  
 So I'm just gonna go all night  
 Sick of feeling so out of place  
 I'm always stuck on the sidelines  
 Feeling like I could be replaced  
 So I'm just gonna go
