tom: Gb

B  
When I had you to myself  
Abm  
I didn't want you around  
Ebm  
Those pretty faces always made you  
Db  
Stand out in a crowd  
B7M  
But someone picked you from the bunch

Abm  
One glance was all it took  
Ebm  
Now it's much too late for me  
Db  
To take a second look  
B Abm  
Oh, baby give me one more chance  
Ebm Db  
Won't you please let me back in your heart  
B Abm  
Oh, darlin' I was blind to let you go
