

Cody Francis - Honey Take My Hand

tom:

D
[Primeira Parte]

D Hey darling
G Can I tell you whats been on my mind
G Sick and tired of the nine to five and the city lights

D Hey darling
G We could get out of town
G See the beautiful world around, wanna see it now

[Pré-Refrão]

Bm Pack our bags and get in the car
Bm Leave a little note and we'll drive real far

[Refrão]

G Let's get out, we can leave this city
A Let's drive to the open air
G Yeah, the countryside is so pretty
A With the wind blowing in your hair
G We can look back someday
A Baby, don't you understand?
G That we only get one love I wanna make it count
A Honey, come on now and take my hand

[Segunda Parte]

D Hey darling
G I love it when it's me and you
G On the road with a couple tunes and a car for two

Hey darling
G You know we're gonna have a really good time
D Driving in the middle of the night

A When the stars are bright
[Pré-Refrão]

Bm Pack our bags and get in the car
Bm Leave a little note and we'll drive real far

[Refrão]

G Let's get out, we can leave this city
A Let's drive to the open air
G Yeah, the countryside is so pretty
A With the wind blowing in your hair
G We can look back someday
A Baby, don't you understand?
G That we only get one love I wanna make it count
A Honey, come on now and take my hand

[Ponte]

Bm Uhh uhh uhh uh
Bm Uhh uhh uhh uh
[Refrão]

G Let's get out, we can leave this city
A Let's drive to the open air
G Yeah, the countryside is so pretty
A With the wind blowing in your hair
G We can look back someday
A Baby, don't you understand?
G That we only get one love I wanna make it count
A Honey, come on now and take my hand
