(Am C G F E)

Well I started on the whiskey pretty early this morning
C

That's alright, I was up all night

But I passed out before the sun came up
F E

I always wanted to see one of those

I know that's no way for a man to behave
Am C

With a mortgage due and a baby on the way
G

But somehow I made it to where I'm at
F E

It's been a living as a matter of fact

I get a bad attitude from being tired and running 'round
Am C

I never ask for anyone to say they like my sound

I've never been a part of any musical scene
F E

I ain't just talking Nashville, if you know what I mean

They don't write about me in their magazines
Am C

And I don't ask for no reviews on the songs that I sing
G

I never had a lot of friends and I'm alright by that
F E

But people keep on coming back

(C G Dm F C G Dm)

Raising hell with the hippies and the cowboys
C G Dm F

They don't care about no trends

They don't care about songs that sell
C G

Yeah, tomorrow I'll be gone
Dm F

So tonight everybody just sing along

Raising hell with the hippies and the cowboys
C G Dm

(Am C G F E)

I've been standing on the outside for all of my life
Am C

But I like the view, I'm not gonna lie

Yeah, the yuppies and the hipsters and the wannabe scenes
G F E

That ain't down-home to me
Am

I like two dollar beers, I like three dollar wells
C

At some old honkytonk bar that I know by the smell
G

Some old drunk on a barstool on a Merle Haggard tune
F E

That's my kind of room

(C G Dm F C G Dm)

Raising hell with the hippies and the cowboys
C G Dm

They don't care about no trends

They don't care about songs that sell
C G

Yeah, tomorrow I'll be gone
Dm F

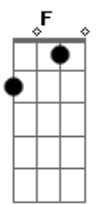

So tonight everybody just sing along.
C G Dm

Raising hell with the hippies and the cowboys

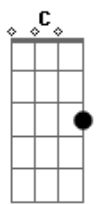

Yeah we'll be raising hell with the hippies and the cowboys
C G Dm

(Am C G F E Am)
