Afinação: Eb Ab Db Gb Bb Eb

Intro: Bm A D G
Bm A D G

[Primeira Parte]

I walk around on pins and needles

Around people I can't even name

I keep on passin' church steeples

Prayin' that my God is still the same

I been wanderin' like a fool too blind to see

Maybe it ain't the bottle that I need

[Refrão]

I need a shot of holy water

I need it to chase down my demons

And burn 'em just a little bit hotter

I've been havin' drinks with the devil in this neon town

I need a shot of holy water to wash it down

(Bm A D G)
(Bm A D G)

[Segunda Parte]

Lost in a land of smoke and mirrors

I do my best to just stay clear of my yesterdays

I've been runnin' so long, now I'm runnin' from myself

Tired of runnin' away

I'm still tryin' to get through to the man I wanna be

Maybe I'm not so gone that I can't see
