[Primeira Parte]

Well, the world tears down all those who go astray  
We pay a price for going our own way

Oh, and wisdom's often born of our scars  
And we find ourselves losing who we are

[Refrão]

Go on, hit the highway, disappear in the night  
You gotta see the world all by yourself, and that's alright

You ain't leaving me worried, you were born to roam  
The thing about outlaws and mustangs, they always come home  
They always come home

[Segunda Parte]

You outlaws and mustangs, restless and on the run  
Woh, come all you misfit daughters and you prodigal sons

You don't have to apologize  
For your free, exploring mind

[Refrão]

Go on, hit the highway, disappear in the night  
You gotta see the world all by yourself, and that's alright

You ain't leaving me worried, you were born to roam  
The thing about outlaws and mustangs, they always come home  
They always come home

[Solo] G D Am C

[Refrão]

Go on, hit the highway, disappear in the night  
You gotta see the world all by yourself, and that's alright

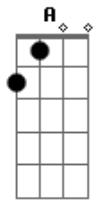

You ain't leaving me worried, you were born to roam  
The thing about outlaws and mustangs, they always come home

They always come hoo-ome heeeey-ey

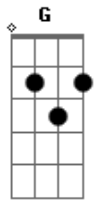

[Final]

Oh, oh, they always come hoooo-ome  
Oh, oh, they always come hoooo-ome  
Oh, oh, they always come hoooo-ome  
Oh, oh, they always come hoooo-ome  
Oh, oh, they always come hoooo-ome  
Oh, oh, they always come hoooo-ome
