And I take what the good lord made

That's the shovel that digs my grave

Everybody knows where I stand and

In all my friends I see

Am
The same kind of crazy as me

[Terceira Parte]

There's more colors than red or blue

To paint the elephant in the room

We piss and moan about that and this

There's always another ass to kiss but

I believe that freedom rings

And I believe in the songs we sing

I have a funny way of seeing

Of what the world might someday be
