

# Cody Jinks - This Old Guitar

tom:

Intro: C G Am G F  
C G C

This old guitar  
Is gonna smell like this bar tomorrow

Yeah, the smell is all it gets  
I take the pay

When I open up that case  
We remember the night before

This old guitar  
Is gonna smell like this bar tomorrow

My old truck  
She was new about a year ago

Yeah, she's lived an old trucks lifetime  
Of carryin' me down the road

When I turn that engine over  
She's ready and willin' to go

My old truck  
She was new about a year ago

[Solo] C G F

C G F  
C G Am G F  
C G C

My sweet girl  
She's gonna be smilin' when I get home

Yeah, she gives more than she takes  
She don't take that much

And I'll be pullin' up in a dirty ole truck  
With a smelly old guitar

And my sweet girl  
Gonna be smilin' when I get home

I've got me a friend  
He's always there beside me

And I forget sometimes he's there  
But he's always there

And when I find myself some trouble  
He's the first guy that I call

I've got me a good friend  
I ain't never seen at all

[Solo] C G Am G F  
This old guitar  
Is gonna smell like this bar tomorrow
