

Cody Simpson - Angel

```
Tom: C
  G
My Angel...
how'd you get to be so fly,
how'd you get to shine so bright,
how'd you get to look like that,
heaven don't you call her back, aye
(CAFG)
Verso 1:
halo halo, I'm not sayin' hi,
baby there's a ring above your head,
and it shines so bright in the sunlight, in the sun
ayo ayo now, this is like a dream
every inch of you it makes me weak,
               Αm
how did I get here, in your sunlight, in your sun
Refrão:
I must be in Heaven
Cause I'm looking at an Angel
Whose staring back at me
Her eyes so heavenly
I must be in Heaven
Cause I'm looking at an Angel
There's no one on this Earth
that's made this beautiful
Verso 2:
here we are, looking at the stars
I can hear, the beating of your heart,
```

```
I could listen to this song forever
You're the breeze, baby I'm the coast,
You're the jelly, baby I'm the toast,
It's so sweet when we're together
Ponte:
and if I ruled the world I'd name an island for ya,
yeah, you could tell all your girls I named an island for you,
Refrão:
I must be in Heaven
Cause I'm looking at an Angel
Whose staring back at me
Her eyes so heavenly
I must be in Heaven
Cause I'm looking at an Angel
There's no one on this Earth
that's made this beautiful
halo halo, I'm not sayin' hi,
baby there's a ring above your head,
and it shines so bright in the moonlight,
in the moonlight
mv angel.
Refrão:
how'd you get to be so fly,
how'd you get to shine so bright,
how'd you get to look like that,
please heaven don't you call her back, aye
my angel
