 Baby, I know sometimes that you want to erase me
 Especially after what we've been through lately
 You know I didn't mean to call you crazy
 Em C
 Lovely, I know that your sister doesn't trust me
 I ain't saying there's a halo above me
 But you can't let the rumors take you from me

G C
 Lets make this so good for goodness sake
 The last thing that we needs to take a break

G C
 Let me know what I have to do to get back to you
 To get back to you, back to you

G C
 Let me know what I have to say so you think of me
 So you think of me, think of me

G C
 Let me know what I have to do to get back to you
 To get back to you

Em C
 Gorgeous, no one said relationships were flawless
 But I'm down to work cause I need more of this

Don't you see my knees down where the floor is?
