

Cody Simpson - Flower

Tom: E

Riff:

Segue o Riff por toda musica..

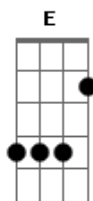

E
I know I'll never be the apple of your eye A B
E E
but I pick you a flower if you like A B
E
I know I'll never be the stars up in your sky A B
E
but I'll pick you a flower if you like A B
E
she loves me, she loves me not
E
she says she love me has she forgotten that she loves me A B E
love me one more time A B
E
I know I'll never be the apple of your eye A B
E
but I pick you a flower if you like A B
E
'cause I meet you down by the end of the road
A B
where the sunset glows and the garden grows
E
I got one pair of shoes with 20 holes
A B
and I would walk 20 miles just to get to those blue eyes E
if you will smile for me to my surprise i would stay for a while to A B
E

see what comes next

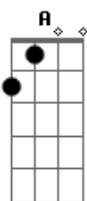

A B
or we could take off our clothes and have long conversations in french

E A B
I know I'll never be the apple of your eye
E A B
but I pick you a flower if you like
E A B
I know I'll never be the stars up in your sky oh no
E A B
but I'll pick you a flower if you like
E
she loves me, she loves me not
E A B E
she says she love me has she forgotten that she loves me
A B
love me one more time
E A B
I know I'll never be the apple of your eye
E A B
but I pick you a flower if you like
E
roses are red, violets are blue
A B
but it is true I'd be through if I don't have you
E
so I just chill up on the hill picking daffodils
A B
making wishes, about you mrs E
E A B
'cause I know I'll never be the apple of your eye
E (deixa soar)
but I'll pick you a flower
