(forma dos acordes no tom de G)
Capostrate na 1ª casa

You-ou-ou-ou-ou, got me good
I-I-I-I-I, you-ou-ou-ou-ou
I like this right here

Word on the street is that you're single (so)

So baby have you heard my single?

It goes la di da and it hits like a cymbal

I drew a heart with my finger on your window

What's up?

Even with your hair up

Girl, what's up?

Even in your sweat pants

Girl, what's up?

Even when you wake up without any make-up, I'm in love

Cause I'm

So tired of the same old things

I'ma need something new in my life, yeah

So tired of the same old games

Yeah it's time I started feeling right

Cause you-ou-ou-ou-ou, got me good girl

I-I-I-I-I, feel so good girl

You-ou-ou-ou-ou, got me good

And you know that I need you so bad

You said you're talking to your ex-boy (well)

Well just remember he's your ex-boy (uh)

Well maybe I could be your next boy

And just remember that you're better than the rest

So baby, what's up?

Even in your work clothes

Girl, what's up?

You know how to work clothes

Girl, what's up?

Girl, you got me lost in your eyes, I'm in paradise

What's up?

So tired of the same old things

I'ma need something new in my life, yeah

So tired of the same old games

Yeah it's time I started feeling right

Cause you-ou-ou-ou-ou, got me good girl

I-I-I-I-I, feel so good girl

You-ou-ou-ou-ou, got me good

And you know that I need you so bad

I wanna know what it feels like

To run my fingers through your hair

I wanna know what drives you wild

Cause baby we could drive it there

Tell me that I'm dreaming

No, I don't wanna wake up

No, I don't wanna wake up

0ooh

So tired of the same old things

I'ma need something new in my life, yeah

So tired of the same old games

Yeah it's time I started feeling right

Cause you-ou-ou-ou-ou, got me good girl

I-I-I-I-I, feel so good girl

You-ou-ou-ou-ou, got me good

And you know that I need you so bad

You said you're talking to your ex-boy (well)

Well just remember he's your ex-boy (uh)

Well maybe I could be your next boy

And just remember that you're better than the rest

So baby, what's up?
