

Cody Simpson - Love

Tom: **G**

G
The thing about love love love it'll make you do some crazy things

Em **C**
The thing about love love love is you know it when you feel it, feel it

G **D**
The thing about love love love it'll make you do some crazy things

Em **C**
The thing about love love love is you know it when you feel it,

C
And that's the thing about love

G **D**
Everybody tells us that we are too young for love

Em **C**
But they don't know what it is like to be young and us

G
Age is nothing but a number

D **Em**
And my love lasts longer than the summer

C
So lets move them haters up out of the way

G **D**
The thing about love love love it'll make you do some crazy things

Em **C**
The thing about love love love is you know it when you feel it,

C
And that's the thing about love

G **D**
When I think about you I think of forever

Em **C**
Your love keeps me warm like I'm wearing a sweater

G
I don't take a rocket science to know

D

That my heart belongs to you for sure
Em **C**
And if you are where love is then I want to go

G **D**
The thing about love love love it'll make you do some crazy things

Em **C**
The thing about love love love is you know it when you feel it, feel it

G **D**

C
And that's the thing about love

G **D**
Love can be amazing so let me start by saying

Em **C**
Just let me start by giving all the love I had

G **D**
Love is a lolvely thing so come on let's embrace it

Em
Know that I can take us to another space, another place

G **D**
The thing about love love love it'll make you do some crazy things.(yeah, yeah)

Em **C**
