

Cody Simpson - Not Just You

Tom: D
Intro: 2x: A D A D

A
Darling
I know your heart has seen better times
I know our songs had better rhymes
Before today, no no

A
Darling
I guess I made the wrong mistakes
I understand if you need your space
Please take your time
Before you go away (so far away)
You need to realize

Baby It's not just you
You know it hurts me too
Watching you leave
With tears on your sleeve
Notice mine aren't exactly dry
Baby it's not just you
That's hurting
It's me too

Fm Gm
Oh woah, yeah yeah
A
I'm sorry
I wasn't there to catch the fall
I didn't hear you when you've called
All of those nights, yeah
Please don't forget the good days with me
I can't make back the heart aching beat
When it gets dark and it's hard to see
We'll turn on the lights
Before you go away (so far away)
I really need you to know

Baby It's not just you
You know it hurts me too
Watching you leave
With tears on your sleeve
Notice mine aren't exactly dry
Baby it's not just you
That's hurting
It's me too.
